Art feeds the Soul

—unknown

July brings fine art to Geneva via the Fine Arts Fair July 24-25. This juried show was voted one of 200 best art shows nationwide by *Sunshine Artist Magazine*.

Visitors will discover photography, pottery, textiles, print making, glass, jewelry, watercolor and oil/acrylic/pastels. We invite you to browse the exhibits located right in the middle of Geneva's Historic District and "window shopping" is encouraged. Geneva's unique shops are open and great food choices are nearby. The show is open from 10 am to 5 pm each day and of course admission is free. Stop by the information booth for a program of the artists and visit our Web site for more information, Genevachamber.com

The art experience continues even beyond this week end when Geneva Art Galleries present "First Fridays",

a self guided art walk Geneva galleries stay open "till 8" the first Friday of each month and offer fun, food and art. The art walk gives one the opportunity to become acquainted with the galleries and art from nationally and internationally known artists. For more information visit artgalleries.com.

Come and feed your soul.
